Please Help to Keep Your City Clean

We need your help to keep our city clean. I am sure you have witnessed how hard our Department of Public Works is working to keep our city clean. They work 7 days a week! Please help to keep your sidewalk clean. If garbage is stored in front of your building/home please be sure it is in strong garbage containers with tight fitting lids. All garbage must be kept out of public view. When you put your garbage out on garbage night it must be after 7:00pm in thick plastic bags or garbage containers with tight fitted lids.

If you need a recycling container please call me.

Por Favor Ayude A Mantener Limpia La Ciudad

Necesitamos su ayuda para mantener nuestra ciudad limpia. Estoy seguro de que ha sido testigo del ardúo trabajo que nuestro Departamento de Obras Públicas está haciendo para mantener nuestra ciudad limpia, los 7 días de la semana. Por favor ayúdeme a mantener su acera limpia. Si la basura se almacena en frente de su edificio / hogar, asegúrese de que esté en contenedores de basura fuertes con tapas ajustadas. Toda la basura debe mantenerse fuera de la vista del público. Cuando coloque su basura en la noche, debe ser después de las 7:00 p.m. en bolsas gruesas de plástico o en contenedores de basura con tapas ajustadas.

Si necesita un contenedor de reciclaje, llámeme.
