

# Prioritizing Cyclist Safety

Dear Friend,

It's with great pleasure that I write to you to announce the creation of new bike lanes throughout Union City.

The implementation of new bike lanes will help improve traffic flow, lessen the likelihood of injuries on sidewalks, and keep cyclists safer on our road. Ultimately, we will have bike lanes on New York Avenue, Bergenline Avenue, Central Avenue, West Street, among other areas throughout the City.

My team and I are always looking for ways to improve the quality of life for all residents in our community. Should you ever need to speak with me, please reach out by calling my cell at 201-376-1942. I am honored to serve as your Mayor.

Respectfully,

Mayor Brian P. Stack

# Priorizando la Seguridad del Ciclista

Estimado/a amigo/a,

Es con muchísimo placer que les escribo para anunciar la creación de nuevos carriles de bicicletas en Union City.

La implementación de nuevos carriles de bicicletas ayudará a mejorar el flujo de tráfico, minimizar la probabilidad de accidentes en las veredas, y ayudará a proteger a los ciclistas en nuestras calles. Cuando terminemos, tendremos carriles para bicicletas en New York Avenue, Bergenline Avenue, Central Avenue, West Street, y otras áreas de la ciudad.

Mi Administración y yo siempre estamos buscando maneras de mejorar la calidad de vida para todos los residentes de nuestra comunidad. Si necesita hablar conmigo en cualquier momento, comuníquese al 201-376-1942. Es un honor servir como su alcalde.

Respetuosamente,

Alcalde Brian P. Stack
