PLEASE KEEP OUR CITY CLEAN!

Dear friend,

We are working seven days a week to keep our streets and parks clean.

PLEASE HELP US.

PLEASE DO NOT

put household garbage in public trash receptacles. These receptacles are for a soda can, newspaper, candy wrapper or similar trash. These receptacles are not for garbage from your house.

DO NOT

throw gum on the sidewalks. You wouldn't do this in your home. Please don't do it on Union City sidewalks. Let's teach our children.

PLEASE DO NOT

let your dog defecate on the sidewalk, without picking up after your pet. It's against the law and unhealthy.

I fight hard to secure funding for new streets, sidewalks, pools and parks. Please help take care of our community for all of our neighbors.

We have a great City and of course... wonderful residents.

LET'S HELP KEEP UNION CITY CLEAN!

Spread the word

- a clean city is a healthy and great city.
